Hi Dean,

The LALC is happy for a NSWALC/network update to be provided to members.

We have reached out to the Police for them to come back to the next meeting and provide an update to the LALC community regarding the re-establishment of an effective PACC and to provide an update regarding strategies to support Gunnedah.

We will also need to ensure we set aside enough time to work through the audit and annual report.

I remain committed to Sunday meetings to ensure maximum potential opportunity for safe attendance and to accommodate the auditor being able to attend in person.

Feel free to call to work through everything.

Kind regards, Tim
